1. God comes to us

How would you plan a **WELCOME PARTY** for a friend that you haven't seen for a long time?

What would you do to show your friend that you are glad that they are back?

How would you like to be **welcomed** back by your family or friends after you had been away for sometime?

How can you **welcome** new children to your church?

Let's plan a **WELCOME PARTY!**

Make a party planner to help you to organise a party so that you won't forget anything important.

You will find an example of a party planner on **page 55**.

Let's begin

Decide where to have the party.
Will it be indoors or outdoors?

Make lists of the things below:

- ♥ people you want to invite
- ♥ games you want to play
- ♥ activities you want to include
- ♥ food you want to serve
- ♥ decorations, like a welcome banner or poster and balloons

Ready, steady, go

Let's talk

A **WELCOME PARTY** is a fun way to celebrate someone's arrival or return. A birthday party shows that you are happy for your friend.

Do you know whose birthday we celebrate on Christmas Day?

In the time of the Bible, babies were born at home. Jesus' parents were visiting Bethlehem when it was time for him to be born. The only place where they could find accommodation was in a stable. So Jesus was born in a stable. Apart from that, he was born just like any other baby—just like you.

But Jesus' birth was special.

Can you remember special things that happened when he was born?

Take turns to mention them.

You can also read what **Greeny** had to say about Jesus' birth on **page 103** in your Treasure Hunt Bible.

You can read about Jesus' birth in **Matthew chapter 2** and **Luke chapter 2**.

Later Mary, Joseph and Jesus returned to Nazareth, a town in Galilee.

Jesus grew up just like all the other children in their town.

He had four brothers and at least two sisters. Read **Mark chapter 6 verse 3**.

The Israelites weren't powerful any more.

They were now ruled by the Romans, who called them Judeans or Jews.

The people often wondered if God had left them.

They wished that God would send the king he had promised them, who would set them free.

God did send them their king.

But it wasn't the king the people were expecting.

He sent Jesus, his own Son. Jesus was born in Bethlehem like other ordinary babies.

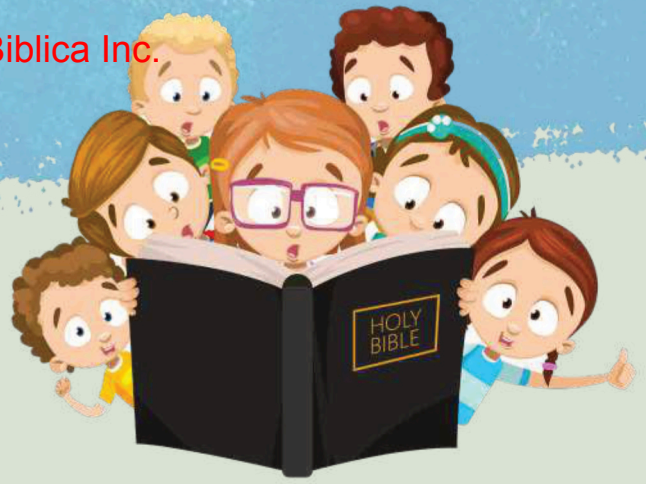

He grew up like other ordinary boys in Nazareth.

Everyone thought Jesus was Mary and Joseph's son.

Nobody knew who he really was. Only Mary and Joseph knew.

God wanted to show us that he loved us and wanted to be with us.

So he sent his Son to us.

Let's understand Let's read the Bible

Read about Jesus' childhood in **Luke chapter 2 verses 39 and 40**.
What did you learn about Jesus?
How was Jesus just like the children in his town?

In those days, everyone tried to go to the temple in Jerusalem for the Passover Feast. It was like a holiday. Everyone travelled together and camped along the road at night. The children had lots of friends to play with.

When Jesus was 12, he and his parents went to Jerusalem as usual. After the feast, they returned home. His parents didn't see Jesus in their group, but they were sure he was with his friends.

Read **Luke chapter 2 verses 43 to 45** to find out what happened next. Ask your parents or guardian how they would feel if you disappeared and they couldn't find you.

Read **Luke chapter 2 verses 46 and 47** to find out where his parents found Jesus.

Jesus went back with his parents. Read **Luke chapter 2 verse 51** to find out what kind of teenager Jesus was.

In some ways, Jesus was like all the other boys in his town.

He **played** with his friends. He **helped** his mother. He **learnt** all about carpentry from his father.

But his parents knew that he was a special child, just as the angel had told them before his birth. He was wise. He knew so much about God and God's laws that the teachers in Jerusalem were amazed. And as he grew up, he became even wiser.

He obeyed his parents, even though he was the Son of God. God was pleased with him and the way he grew up.

Jesus was God's plan for the world.

He wanted Jesus to show the people what God was really like and how much God loved them. He would have to die to do that, but God was preparing Jesus for that difficult task even as a child.

GROUP

Let's do it

Put the following objects or a picture of the object in a bag or a box:

-  baby clothing, straw, a model of a manger, a star, a shepherd's crook,
-  a donkey, a sheep or some wool, a purple cloth, a small gift-wrapped box,
-  something gold like a ring, incense, a camel, an angel, a crown.

Try to find as many of these objects as you can.

Take turns to take an object out of the bag or box.

Explain to the others how it reminds you of Jesus' birth.

End the activity by singing a Christmas carol, even if it isn't Christmas.

FAMILY

Ask your parents and family to show you your baby photos.

Ask them to tell you about your birth and baby years as you look at the photos together.

They can tell you how they looked forward to your birth and what a blessing your arrival was to the family.

They can tell you about the day you were dedicated or christened.

Think about having a special celebration to mark this day. That way you will always remember that important day.

INDIVIDUAL

Names are important.

Do you know the meaning of your name?

What is special about your name?

Does your name tell people more about you?

Is it a family name?

Ask your parents to tell you why they gave you that name.

You can also look up the meaning of your name.

Look for a book of baby names in the library.

Or look it up on the internet.
